

UNITED FOR  
CLIMATE ACTION

# TOWARDS LONG-TERM NATIONAL SCENARIOS: MODELLING MEETS POLICY

**THURSDAY 3 MAY, 18:30 – 20:00**

WORLD CONFERENCE CENTER BONN, ROOM "BERLIN"

## PROGRAMME

### Opening remarks

**Mauro Petriccione**

*Director-General, DG Climate Action, European Commission*

### *Where are we?*

Outcomes of global and national-level scenarios on current policies, and emission pathways consistent with 2 /1.5 °C

**Detlef van Vuuren** (PBL)

or **Elmar Kriegler** (PIK), TBC

### *Where do we want to go?*

National perspectives on long-term low-emission pathways

**China: Fu Sha**, NCSC

**European Union: Alessia De Vita**, E3Modelling

**India: Swapnil Shekhar**, TERI

### *How do we get there?*

Policy perspective – current and good practice policies, opportunities to scale up mitigation action

**Takeshi Kuramochi**, NewClimate Institute

## Q&A

### Panel discussion

**Artur Runge-Metzger**,

*European Commission (European Union)*

*Invited policymakers from China and India*

## Closing and refreshments
